BILLY ALLEN - EVENT HOST

Billy Allen, also known as B-Nice, is an event host, on-air personality and entertainment influencer with universal appeal. He has worked with some of the biggest names in the entertainment industry including Drake, Sean 'P-Diddy' Combs, Mary J. Blige, lifestyle specialist Kenny Burns, actor Terrence J, platinum recording artist Fabolous, and with both Angela Yee and DJ Envy from Q93's The Breakfast Club. He currently serves as the resident weekly host at Masquerade inside Harrah's in New Orleans.

31-year-old Mr. Allen was born in Marrero, Louisiana and while he attended high school, he worked at a local comedy club hosting various events. This included open-mic nights, amateur comedy hours and poetry slams. Ultimately, this landed him a hosting job at one of New Orleans premiere nightclubs in 2010. In 2013, he was booked to host his own radio show with Crescent City Radio and WBOK 1230AM covering topics such as entertainment, fashion and nightlife.

Since then, Mr. Allen has worked with Wink Design and Events hosting multiple corporate parties, weddings and fund raising events for them. He has appeared on Bravo TV's *Big Easy Brides* and has hosted celebrity weddings throughout the South. In 2013, he hosted The Global Talent Show in Dallas. He was also the host at New Orleans's first Gospel Awards and hosted at NOLA Fashion Week, both in 2016. He is highly adaptable and comfortable hosting for any platform.

Mr. Allen is available to host a wide variety of programs and events. Contact and media links are below. We look forward to working with you!
